Speaker Profile

**S**ince childhood, Master Ayuka Kaorumoto had had the feeling that her views and thinking were different from others. Through her experiences in a Buddhist kindergarten and serving as a Miko in shrines near her hometown, she became interested in the metaphysical world.

When attending college in Japan and the USA, Master Ayuka Kaorumoto learned about Christianity and graduated from The East China Normal University English Department. She realized then that destiny and luck of an individual were pre-determined when they were born, and this realization inspired her to research into esoteric Buddhism, Japanese numerology Kazudama, Tarot, I Ching, and astrology.

Master Ayuka Kaorumoto is now a follower of Grand Master Raymond Lo. Together, they have toured across Asia and Europe to promote the global cultivation, awareness and appreciation of Feng Shui.
