

MASTER JANE LANGOF

Feng Shui
Concepts,

AUSTRALIA

Master Jane Langof started her career in the corporate world of finance, which took a unique turn when she met a clairvoyant who suggested a radical career change.

After examining her options, Master Jane Langof felt a pull towards creative path. With a passion for renovating homes, she first qualified in interior design and with a nudge from destiny, she found her true calling in Feng Shui. Master Jane Langof then combined her passion for feng shui and interior design and founded Feng Shui Concepts.

With 15 years of experience in the fields, Master Jane Langof has since received Feng Shui Master accreditation from IFSA and grown to be a popular Interior Designer at the same time, she combines the two disciplines to create beautiful feng shui solutions for her clients.

Master Jane Langof generously shares her knowledge through speaking engagements and her popular Instagram account. Her works appear on television, radio, podcast and in print articles. She believes that energy-conscious property owners deserve abundance by design.
