

MASTER YAP BOH CHU

Master Yap Boh Chu graduated from the Swinburne Institute of Technology (now Swinburne University), Australia, with double majors in Information Technology and Accounting. Though he devoted his earlier working life in the IT industry, Boh Chu eventually found his true calling in Feng Shui. Following in the footsteps of his world renowned father, the late Grand Master Yap Cheng Hai, he received and mastered the science and skill passed down to him by his father.

Since then, Master Yap has become a notable Feng Shui consultant, whose unique approach to Feng Shui successfully marries the scientific and the traditional, addresses the needs of the 21st century and speaks to a global audience. Later, together with Grand Master Yap Cheng Hai, they founded the renowned Yap Cheng Hai Academy, teaching and spreading the knowledge of Feng Shui internationally.

Master Yap Boh Chu frequently conducts courses in Feng Shui both locally and abroad while training and managing the accredited instructors of the Yap Cheng Hai Academy. As his father's right-hand man, Boh Chu has helped Grand Master Yap in various mega projects, including the master planning of Taman Pagoh Jaya in Malaysia as well as commercial buildings in Canada, Germany, Indonesia, Russia, Saudi Arabia, Singapore and many others. He has also done countless Feng Shui readings in South East Asia and other parts of the world.
