

IFSC 2023 PRE-CONVENTION CLASS

Unleash Your Potential:
**DEVELOPING
THE SKILLS OF A
FENG SHUI
MASTER**

By Master Cristina Groza

Synopsis

This intensive course is tailored especially for students and Masters of Flying Star/Bazi Feng Shui who want to elevate their skills but without background in design, providing them with essential tools necessary for the practice of Feng Shui Design consulting.

With extensive architecture background, Master Cristina Groza will share her expertise on how to effectively incorporate feng shui elements with interior design, and her unique insights on integration of Feng Shui principles into architectural spaces, so to create harmonious environment that promote balance and prosperity. Whether you aspire to become a Feng Shui Master or simply want to deepen your understanding of Feng Shui Design, join Master Cristina Groza for a journey that combines ancient wisdom with contemporary design solutions, creating spaces that not only look visually pleasing but also positively influence the energy and well-being of its inhabitants.

You will learn:

- ✓ Practical knowledge and tools necessary to read, draw, and customize Feng Shui plans.
- ✓ How to use the five elements when decorating.
- ✓ Effective colour schemes and architectural styles that align with the principles of Feng Shui and harmoniously achieve the best energetic and visual effects.
- ✓ Architectural style concepts and how to maintain a specific line according to the occupants' Bazi (birth chart) in a house.
