METAPHYSICS & DESTINY READING (Behaviour Profiling)

By Master Ray Goh

Synopsis

Equip yourself with the powerful Zi Wei Dou Shu 紫微斗数 method of destiny reading, learn how to read people, self-chart and plan your destiny path with accuracy! Apart from palmistry, face reading and BAZI, Zi Wei Dou Shu is one of the most influential schools of Destiny Reading widely practised in ancient China. It calculates a person's Year, Month, Date, and Time of Birth to allocate the person's Stars into

12 different 'Palaces' of 'Birth Chart'. By reading past data systematically, one can tell a person's Destiny, pattern, or path. Zi Wei Dou Shu also helps to analyse relationships, health, career, talents, opportunities and problems. This course was outlined in the 1990s by Master Francis Leyau and Master Madam Yap at the CAFS and had since been taught by Master Ray Goh, imparting his knowledge and experience to his students.
