# ZIWEI BAZI ACADEMY

A genuine and experienced school headed by Master Ray Goh to continue the lineage and carry the wishes of his sifu to impart these powerful skills to future generations. The initial (Central Academy of Feng Shui) CAFS school was established here in Cheras in the 1980s by Master Francis Leyau and Sifu Madam Yap, producing many Masters and practitioners in Feng Shui and Destiny Reading. The systematic version of the Destiny course was outlined in the 1990s at the CAFS and has since been taught by Sifu Madam Yap and then by Master Ray Goh. In 2008, his sifu formed ZIWEIBAZI Academy under the establishment of MYFAD (Malaysia Fengshui Astrology Destiny). Master Ray Goh was appointed as the principal and has continued to teach and impart his knowledge and practical experience to their students.
