CRISTINA GROZA

Cristina Groza Feng Shui and BaZi Academy, ROMANIA

Cristina Groza is a Senior Feng Shui Master, architect, author, and international speaker with over 20 years of experience in integrating Chinese Metaphysics into Architecture and Interior Design. A graduate of the "Ion Mincu University of Architecture and Urbanism".

Cristina Groza discovered her passion for Feng Shui during her university years, developing an approach that merges architectural science with Feng Shui principles to support harmony and well-being. Trained under the guidance of the renowned Grand Master Raymond Lo, SM Cristina has mastered Feng Shui, BaZi (Destiny Analysis), and I Ching, becoming a recognized expert in the field. In 2011, she became the first Romanian Master accredited by the International Feng Shui Association (IFSA) and a Senior Master in 2024.

Senior Master Cristina serves as President of IFSA Romania and is a Board Member of the IFSA EXCO Committee, actively contributing to the advancement of Feng Shui on a global scale. She has been an invited speaker at numerous international and national conferences, including the International Feng Shui Convention, Interior Design, Architecture, and Well-being events, where she shares valuable insights with professionals and enthusiasts alike. She is also a frequent guest on TV shows, discussing the impact of Feng Shui in modern life, and has been a TEDx speaker, offering a fresh, modern perspective on the subject. Her consulting work includes collaborations with public figures, business leaders, and major corporations, and her expertise has been featured in prestigious publications, including Forbes.

Today, she leads "Cristina Groza Feng Shui & BaZi Academy", the only IFSA-accredited Feng Shui Academy in Romania, where she provides comprehensive courses and professional training programs.
