# MASTER ESRA KOYUNCU

*KaYun Institute, Turkey*

**Master Esra Koyuncu** is Turkey's leading Feng Shui expert, consultant, author, and educator, with over 20 years of experience in Chinese Metaphysics. Trained under GM Raymond Lo, she played a pioneering role in introducing and popularizing classical Feng Shui in Turkey through books, television appearances, and workshops. She is the author of multiple Turkish Feng Shui books, including *The Compass Within*, the first Feng Shui book written in Turkish, and received the Master Title from the International Feng Shui Association in 2015. Through KaYun Institute, accredited by IFSA in 2025, she continues mentoring students worldwide. As a consultant, she develops long-term relationships with individuals and corporations, bringing a holistic approach focused on understanding people's deeper needs and creating meaningful transformation in their lives and environments.
