# SENIOR MASTER JANENE LAIRD

*Shengchi-FengShui, AUSTRALIA*

Senior Master Janene Laird is the founder and principal consultant of ShengChi-FengShui. She combines a Bachelor of Arts and Diploma of Education with more than 20 years of teaching experience and over two decades of advanced study and practice in classical Chinese metaphysics.

Drawing on 23 years of specialised training, SM Janene is recognised for her expertise in Feng Shui, Chinese astrology, and related metaphysical disciplines, helping clients and students apply traditional wisdom to modern life.

She consults extensively across the corporate, business, and residential sectors through her highly regarded Australian-based Feng Shui consultancy. A Full Member and Accredited Feng Shui Senior Master of the International Feng Shui Association (IFSA), SM Janene serves on the IFSA Executive Committee and is the Founding Member and President of the IFSA Australia Chapter. She is also the editor of Feng Shui Today, a leading online magazine dedicated to Feng Shui and Chinese metaphysics.

SM Janene began her formal studies in 2003 through the Australian College of Environmental Studies, where she earned Certificates and a Practitioner Diploma in Chinese Metaphysics. She later trained under Grand Master Raymond Lo in Hong Kong, completing Diplomas in Feng Shui, Chinese Astrology, and Advanced Practitioner Training by 2009.

Following her relocation to Singapore, Janene continued her studies under Grand Master Vincent Koh at the Singapore Feng Shui Centre. She has also undertaken advanced training with Grand Master Francis Leyau, Grand Master Dr. Stephen Skinner, Master Mas Kerhardthan, and Dr. Chong Jin Peh.

SM Janene is also the developer of the FST Professional Software Platform, a cloud-based workspace purpose-built for Feng Shui consultants. The platform centralises floor plans, BaZi charts, client records, and reporting within a single secure environment, enabling practitioners to manage complex projects more efficiently. Designed to streamline workflows while preserving the consultant's expertise and judgement, FST Professional supports the integration of traditional Feng Shui practice with modern digital tools.
